

HOW TO APPLY

You can apply for employment with Phillips in several ways:

- Visit our website at **philprint.com** to view current job openings and download an application.
- Find us on **ziprecruiter.com** and apply online.
- Find us on **Jobs4TN.gov** and apply online.
- Provide your resumé and fill out an application in person at our location in Nashville, 8am to 5pm CST, Monday through Friday.

Applications and resúms can be emailed to phil@philprint.com, faxed to 615-227-2536, or mailed to:

Phillips Printing
Attn: HR Manager
949 Woodland Street
Nashville, TN 37206-3753

Qualified candidates will be contacted via phone or email with a request to fill out an application if one has not already been completed. A formal application must be completed before an interview will be scheduled.

A criminal background check and drug screening are required of all potential employees.

We look forward to meeting you.

EMPLOYMENT

ABOUT PHILLIPS

Phillips Printing & Strategic Marketing is a turnkey business communications provider. Our model consists of three core services: design, commercial printing, and mailing.

In business for over 50 years, Phillips Printing has expanded its capabilities through equipment acquisitions, technology improvements and strategic team members. We've strived to build great efficiencies in our production workflow and a team culture that is focused on quality and service. This adaptation and focus has allowed Phillips to compete like no other business in the region.

Phillips has a well established and diverse client base. We produce printed products for businesses in the healthcare, financial, retail, government and nonprofit industries among others. Through the years, Phillips has built a great reputation with our clients, vendors and team members.

As our company and capabilities continue to grow at a rapid pace we are continually looking for great talent to add to our team. Below are a few highlights about the company to show why Phillips is a great place to work.

- 50+ years in business
- Established client base
- Great reputation
- Multi-level marketing program
- No debt
- Heidelberg equipment
- Vertically integrated services
- Business model different than 98% of peers
- Technology driven

WHAT WE DO

Phillips Printing has re-engineered its processes over the past several years by adding equipment and technological advances which have helped fuel our growth. Here are a just a few of our service offerings and capabilities:

- Lithographic printing
- Digital printing
- Full-service mail
- Automated mail inserting
- Camera-aided mail matching
- Automated CtP
- Modern folding, stitching and cutting equipment
- High-end automated prepress workflow

- Online fulfillment & variable print ordering

WHAT WE OFFER

Phillips knows that our product is only as good as our service. We believe every employee is a vital part of the service we provide for our clients. This is why we offer competitive wages, flexible hours and benefits. And this is why many of our employees stay with Phillips for their entire career.

IN THE HEART OF MUSIC CITY

Phillips Printing is located in historic East Nashville. This part of the city has seen tremendous growth in both development and popularity. Though Nashville may be best known for its vibrant nightlife and music industry ties, it is also one of the nation's top places for business growth. Nashville's diverse culture and friendly environment makes it a great place to live, work and raise a family. Here are a few of Music City's accolades:

- No. 3 in America's Most Creative Cities - *Forbes*
- Top Ten Best Cities for Business - *Forbes*
- No. 3 in Top Ten Best Cities for Families - *Parenting Magazine*
- Top Ten Happiest Cities in America - *USNBER*
- Top Ten Most Popular Cities for Millennials - *Forbes*
